## SUGGESTS ANDERSON FOR BIG CONVENTION

OF HIGH SCHOOL TEACHERS FROM FOUR DIFFERENT COUNTIES

TO BE OCT 22 AND 23

Letter Received By Supt. E. C. McCants From Prof. W. H. Hand Regarding Matter.

Mr. E. C. McCants, superintendent of the city schools, has received a letter from Prof. W. H. Hand, state inspector of high schools, in which the latter states that he is desirous of holding a conference of high school teachers from Anderson, Oconee, Pickens and Greenville counties and states also that he would like to hold it in Anderson if it is suitable. If it is not held in this city it will be held in Greenville. It is suggested that the conference be held on Friday night, Saturday morning and Saturday afternoon, October 22 and 23.

Prof. Hand also has written a letter to Dr. James P. Kinard, president of Anderson College, in regard to the same matter and Prof. McCants and Dr. Kinard will get together sometime during the early part of this week to talk the question over.

Prof. Hand states that he considers either Anderson or Greenville more accessible than any other point and would like to hold the conference in one of the named places. It is decided that it be held in this city there will doubtless be a large gathering of high school teachers and the meeting ought to prove very profitable.

## THE OPENING NIGHT ANDERSON THEATRE

Norene St. Clair Stock Company  
Will Present "Daughter of the People."

Tomorrow night will witness the opening of the 1915 season of drama at the Anderson. The management has secured one of the best companies in the south to open with. The Norene St. Clair Stock Co., having just finished consecutive engagements of fourteen weeks in Durham, fifteen weeks in Winston-Salem, fifteen weeks in Greensboro, and ten weeks in Asheville, are in the city, and have been since Thursday, resting. The company will be absolutely fit to give a performance Monday, and all week, that will not be equaled by any troupe at the prices charged, 10, 20 and 30 cents. Mr. Pollock and Miss St. Clair are the only two of this troupe who were here last year, but the people will remember them most favorably from their work then. The company numbers twelve people, and all have been chosen for their particular versatility, and all round ability as actors. At least three vaudeville numbers will be offered each night, between the acts of the plays. The play on Monday, "A Daughter of the People" in four wonderful acts, with Lep Meyer, monologist, Summers and Emolise, a headline team direct from the Keith vaudeville circuit, and the "Harmony Four," a quartette par excellence, singing all the latest of the popular music, and any of the old classics or request, will constitute a program that will prove a decided winner.

The one decided feature about the plays offered by this excellent company is that they are clean, moral and wholesome. No long tedious waits between the acts, and the plays will be staged correctly with every attention to detail.

Seats are now on sale at the box office, Phone 13, and tickets ordered by phone will be held till 6:00 p. m. and then sold. The doors will open at 7:30 and the curtain will go up on the play at 8:30 sharp. Persons coming in after the curtain is up will be obliged to remain at back until act is over, in order not to disturb those who are in their seats. This rule is applied to all, and for the good of the greatest number.

The program both drama and vaudeville will be changed nightly. There will be matinees on Wednesday and Saturday, at which time the admission will be ten and twenty cents. But don't miss the opening night, and give the Anderson theatre a full house on the first night of the season. It is advisable to reserve seats in advance and avoid the rush at the door.

An Artist.  
The family terror was entertaining the caller until his mother was suitably arrayed, according to Judge. "Sister Lou's young man is going to be a painter," he remarked. "A painter?" the caller asked. "Uh-huh, I guess so," he replied. "Him and pa was in the library quite a spell the other night, and I heard pa tell him he'd need more of the blues, and he said it cost too much to draw."
